Dear Reverend Pastor:

The American Guild of Organists has designated 2008-2009 as "The Year of the Organ." As part of these activities, St. Mary Cathedral is proud to host a recital by the Danish organist, Rikke Kursch. We are pleased to be able to offer this event to the people of Lansing. In order to spread the word about the recital, I would ask that you include as much of the following announcement as possible in your church bulletin on the weekend of 4-5 October. I have enclosed posters that I would ask you to post in high traffic areas of the church or church hall. If you need more posters, please feel free to reproduce them.

### **DANISH ORGANIST TO PERFORM**

St. Mary Cathedral will host a performance by Danish organist, Rikke Kursch. This free event will take place Saturday evening, 11 October at 7:00pm. The program will include music by Bach, Buxtehude, and Franck, as well as music by Danish composers. St. Mary Cathedral is located at the corner of Ionia and Seymour Streets, near the capital building in downtown Lansing. There is free parking in the church lots, and St. Mary Cathedral is handicapped accessible.

Thank you for your help in promoting this event. I hope to see you and many of your parishioners at the recital.

Cordially,

Michael Dulac  
Director of Music
